CONFERENCE ADDRESS:

Maryville Blount Co

Dear Wife and Children this leaves me well and happy as I can be in the big city of Maryville and will start to canvass in the morning will stay here a few days and then go to Knoxville so I will have all city work from now on the place we are staying now will cost us \$4.50 per week but we will get a cheaper place in Knoxville than this one I will have to now do not go without what you need on account of me being in the city remember if it has cost us old Tomp and Lark there is the two coats coming in to make us a team and can we use our money in any better shape than to fill a mission I am apt to apply for a better mission when this one is filled as I like the work so well so you must not get the blues if I had the money to keep you and my self I would like to qualify for and then take a ten year mission of 1000 of a mission dose that sound out of

Reason you said you wanted a good
Missionary to come home for your husband
that would make a good one would it not
about 12 years in the missionary field
and maybe I could talk ten or fifteen minutes
hey Ros and Dick Will you take care of
Thomas while I am gone Albert and Howard
can you help now what about you girls
what can you do can you help a little
don't it make you feel proud to think you have
a father in the field preaching the Gospel to the
World yes of course it does and now Mamma
does it not make you feel just a little bit happy
to think you have your companion on
the altar he that finds his life shall lose it
but he that loses his life for my name
shall find it so he that forsakes all
father mother brother sister wife or children
lands or home for my name shall have
a hundred fold and life eternal Matt 19-29
Well sweetheart if I am away from you I love
you just the same and if I get life eternal so do
you and we both go to gather Well I must go to
studying an empty Spring will not run any water
and you cannot draw any ought of a dry Well so
let us fill the Spring with knowledge that we may
draw ought when it is needed Well good night sleep
tight and don't let the bugs bite and never, never and a
happy new year from your loving Father and husband
Will
